Director, DCS

21 Feb 67

Chief, Chicago Office

CIA-NSA Publicity

1. As of this date, personnel of the Chicago Field Office have not encountered unfavorable reactions to the recent NSA publicity.

B
[REDACTED]
[REDACTED] have expressed the opinion that the publicity will have little effect on continued cooperation unless they are forced by student groups to sever relations with C.I.A., i.e. by demonstrations and student newspaper articles.
